**Remark:**

For other destination such as North & South America / Oceania / Bengal / Middle East / Africa / UK & Europe / East Malaysia / etc, domestic ferry service (PRINCE LINE / etc) should be utilized down to main ports in TOKYO BAY & OSAKA BAY - thence to be connected to general RORO ocean carriers. Frequency of the domestic ferry service is as quite high as 2-3 voyages per week.

Due to rigid organizational tissues in the local transportation ministry, TOMAKOMAI RORO booking is required to cement 10 days before ETA TOMAKOMAI. Hence well-advanced commitment for shipping should be mandatory.
